

Figure 1

Effect of Lometrexol on
Tyrphostin AG1478 IC₅₀ on A549 Cells

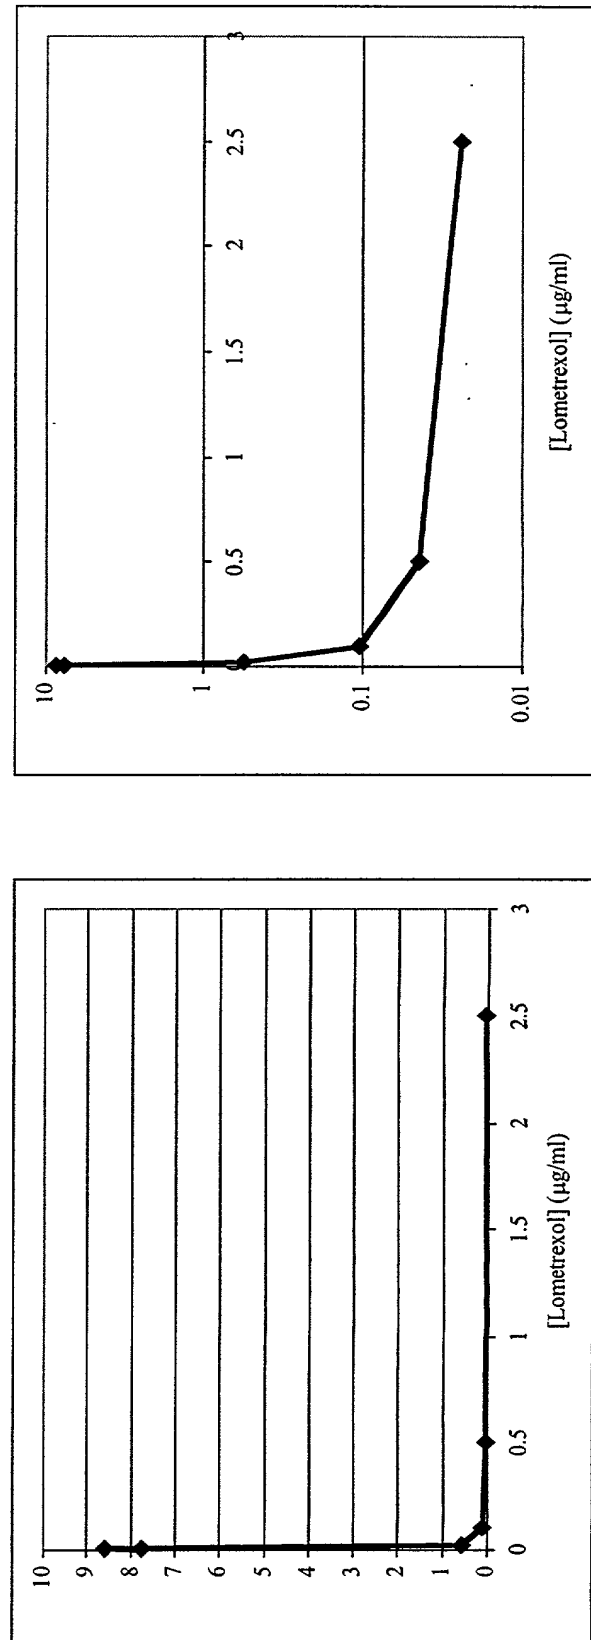

Figure 2

Indirubin-3'-monoxime with Lometrexol

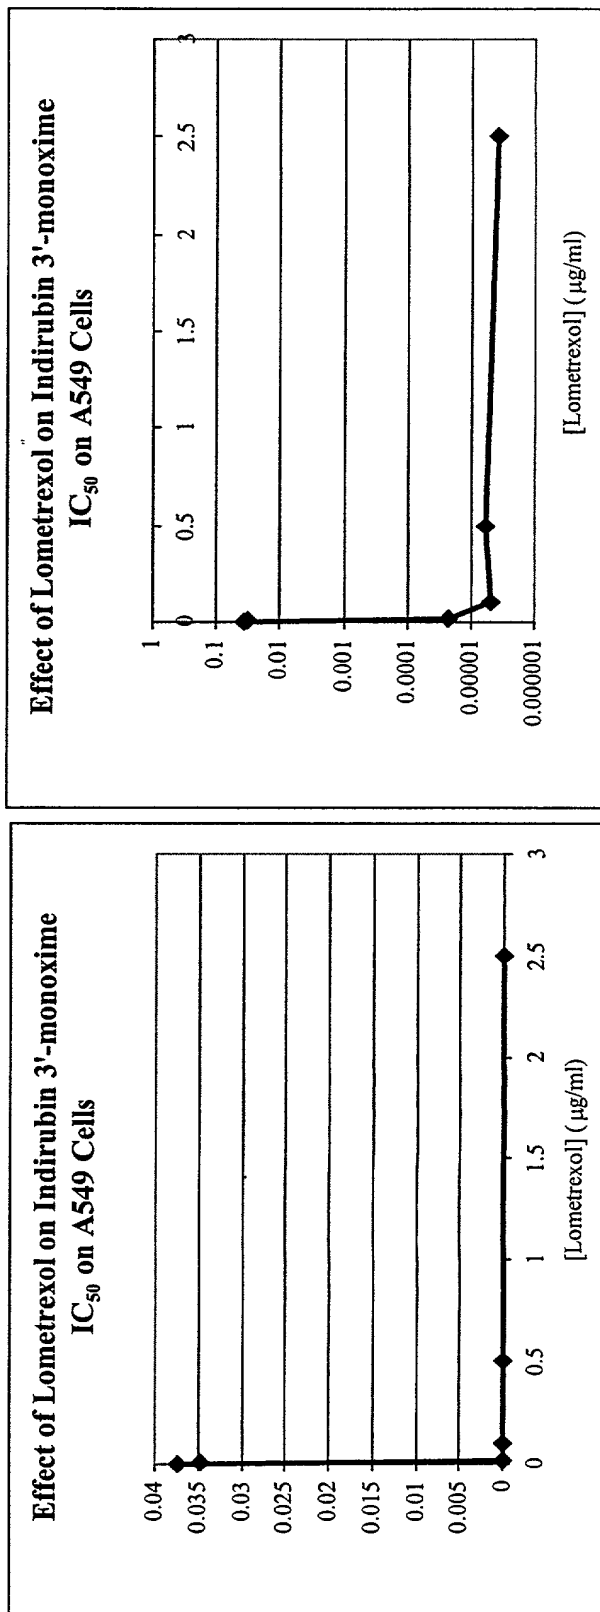

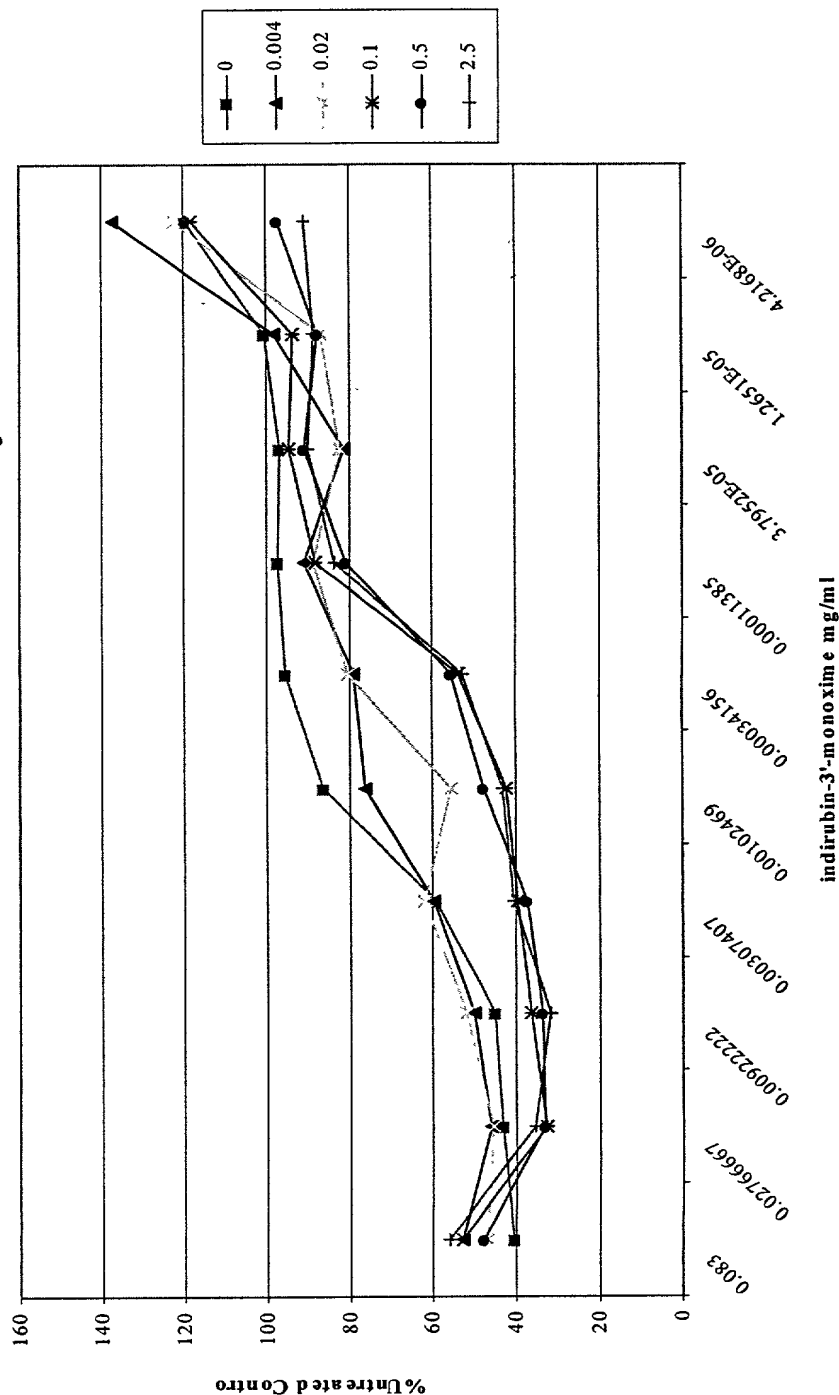

Figure 3

Effect of Combination of Lometrexol and Iridubin-3-monoxime on A549 cells with 2 day incubation

Effect of Phosphorylation of EGFR by Lometrexol

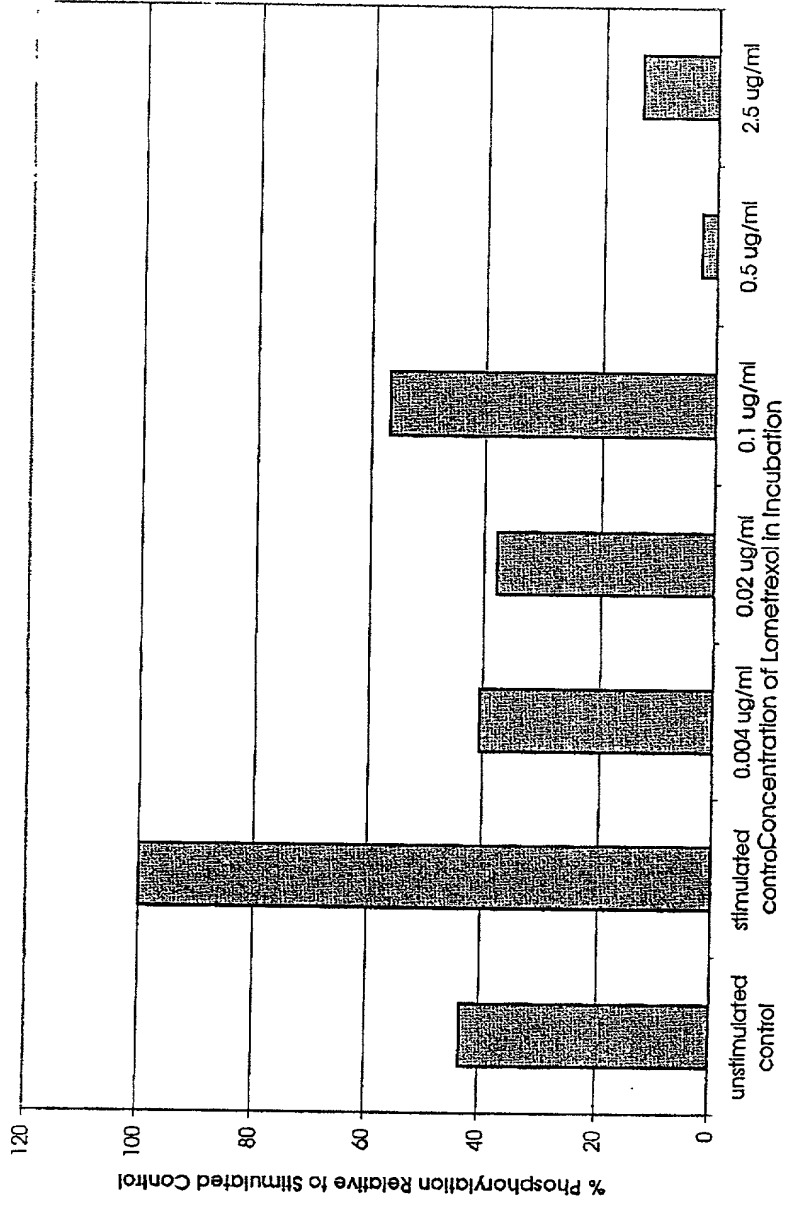

Figure 4

Effect of Lometrexol on ATP Concentrations in A549 cells
